Re: TxDOT proposed exit ramp

Gentlemen;

This is to inform you that the Cherrywood Neighborhood Association General Assembly considered its Steering Committee's position stated in its letter of January 15, 2015 concerning the proposed northbound exit ramp immediately north of 32nd St.

At its May 19 meeting, the CNA general membership reaffirmed the position that the CNA has insufficient information to support or oppose the proposed TxDOT plan for the ramp, having repeatedly requested and not received information on it as of the date of the meeting.

Since then, however, we have received the May 28 Center for Transportation Research report on traffic studies specific to the proposed exit ramp, courtesy of the North Central I-35 Neighborhood Coalition 2, and will give it due consideration.

Respectfully,

Jules Kniolek
Chair, Cherrywood Neighborhood Association
