Background & Mission: Return Patterson Park to ranks of Austin's first-class parks by making it safer, keeping it beautiful & bringing facilities up to highest standards. Group of people from communities surrounding park and park users who are dedicated to nurturing improvements in & preserving assets of park. Since it began meeting in January 2002, FoPP affiliated with Austin Parks Foundation and now enjoys nonprofit status. As a result of surveys and brainstorming, it has identified several projects on which it wants to work including trail building, preservation of post oaks and skatepark.
