City of Austin Staff: Ricardo Soliz, Kathleen Welder, Cecilia Williams, and Mark Walters—Neighborhood Planning

Meeting formally began at 6:45 PM.

The first order of business was to approve the Decision Record for the 4-10-01 NPT meeting.

Decision: *The Decision Record was approved as written with the only amendment being that Dixie Peterson should be listed as the co-chair of the Open Space/Environment/Parks Subcommittee (4-10-01 Decision Record amended on 4-30-01)*

The next order of business was a review of the recommended changes to action items and objectives under Goals One, Two, and Three led by Michael McClendon. Cecilia Williams answered questions that related to zoning.

Decision: *The NPT generally agreed with the changes made by the subcommittee. The noted exception was a prohibition on additional/new adult-oriented businesses throughout the planning area. No clear consensus was reached on the matter, so the item was left for later discussion.*

UBC Chair Stephen Kreger addressed the NPT and asked if they would like to have Mayor Pro Tem, Jackie Goodman come to an upcoming NPT meeting to talk to the group.

Decision: *The NPT agreed to invite the Mayor Pro Tem to an upcoming NPT meeting.*

The meeting adjourned at 8:00 PM.
