  - Is still fighting Imagine Austin and the downtown plan.
7. Planning, Zoning & Transportation Committee Update (Girard)
  - No meetings recently since noone has sought approval lately.

  - Girard will write a quick article about Imagine Austin.
  - Tom Wald is going to be the rep from Cherrywood to the Mueller Transportation Committee.
8. Other committee updates as needed
9. Crime Prevention and Safety Committee Proposal (Girard)
  - A lot of resources have been allocated to catch drunk drivers, leaving a gap in other areas (like preventing and solving break-ins in our neighborhood).
  - Aaron will approach Chris to see if he's willing to fully take on and organize this committee. Additionally it should be noted that Dolly is ready to be an active participant in this committee, just not a chair.

—Carol Gibbs (neighborhood rep) has mentioned they may not have space enough to announce this publicly.

11. FLEA (Deb)
